

SUBSTATION HAZARD AWARENESS

September 24, 2024

COST: \$125 for non-members
No cost for members

About

This training focuses on recognizing and mitigating hazards specific to electrical substations. Participants will learn about various substation components, potential risks, and the necessary Personal Protective Equipment (PPE) required to ensure safety. This training is essential for anyone working in or around substations.

PPE Requirements:

- Hard hat
- Safety glasses
- FR clothing
- Insulated gloves
- Steel-toed boots
