

SWITCHMAN TRAINING

July 9, 2025

COST: \$125 for non-members
No cost for members

About

This training focuses on the knowledge and skills necessary to safely perform switching in transmission and distribution substations. Participants will learn about various switching procedures, substation devices, three-way communications skills, and safety considerations. This training is a key component in preparing personnel to perform live switching operations.

PPE Requirements:

- Hard hat
- Safety glasses
- Steel-toed boots
